About Friedrich Naumann Foundation European Dialogue

The European Dialogue of the Friedrich Naumann Foundation for Freedom has offices in Brussels, Madrid, and Prague. Through the connection of EU experts, civil society, and decision-makers we seek to foster open dialogue and discuss liberal policy solutions to European challenges. Together with our liberal partners, we develop formats and campaigns to promote rule of law, free markets and human rights. Moreover, we coordinate EU co-funded projects in the field of democracy support, development cooperation and human rights protection.
