

Required application documents for high school graduates and students

Unfortunately we cannot offer scholarships for:

- **Bachelor programs for foreign, non-EU students**
- second degree programs, part-time programs, distance learning programs that are not full-time
- postgraduate courses and complementary studies
- studies in the final completion stage (the minimum sponsorship duration is 2 semesters)
- any kind of short-term projects (internships, language courses, travel grants etc.)

All documents must be submitted in either German or English. Please take care of any translations on your own. Please prepare the following documents for the online application as a PDF scan. Note that the maximum upload capacity is 5 MB per document category.

Please scan the following documents individually:

1. Curriculum vitae (max. 2 pages)
2. Identification document (identity card or passport)

Applicants from outside the EU as well as refugees please submit the pages with your personal data and visa/residence status.

3. University admission/certificate of enrollment

High school graduates may deliver it later. Must be available at the time of admission to the scholarship program at the latest.

4. Diploma/degree, which qualifies for the corresponding university studies (Bachelor/Master).

If you don't have your high school diploma yet, please upload your most recent interim-report. If you are invited to the personal interview, please bring a copy of your high school diploma with you.

5. (Academic) transcripts (e.g. Table of Records, if applicable Bachelor's/Diploma certificate)

Not applicable for high school graduates. (see note from section 4)

6. If applicable, certificates of vocational training or professional activity

Please note that the following letters of reference must also be provided to us:

high school graduates	freshmen (1 st semester)	students (2 nd semester and above)
2x letters of reference from your teachers	preferred: 2x letters of reference from your university professors/scientific employees ok: see high school graduates	2x letters of reference from your university professors/scientific assistants <i>For applications for 1st semester Master-Program we accept reviews from the bachelor program</i>

When you register for the application, a link will be generated. Please forward the link to your reviewers so that they can submit their reviews directly to us. You will receive separate e-mails for each submitted reference. Links can be generated up to 4 months before the application portal opens.
